

COOKIE-POLICY

COOKIES MANAGEMENT

By using this website, the user expressly consents the use of cookies.

Cookies are linked to the browser used and can be disabled directly by the browser, thus refusing/revocating consent to their use, in compliance with the provisions of Regulation (UE) 2016/679 (so-called GDPR). Remind that disabling cookies may prevent the correct use of certain functions of the site itself. Further information about the procedures to be followed to disable cookies can be found on the website of your browser's provider .

WHAT ARE COOKIES

A cookie is a text file that is stored on your computer, tablet, mobile phone, and any device used to surf the web that can store your browsing information and preferences. Some cookies may be used to make browsing easier and to personalize your experience inside the website by identifying you when you use the site. Some cookies may indicate which sections of the site are most visited, thus helping Al Boschetto Srl to make commercial assessments. Al Boschetto srl respects the provisions contained in the Code regarding the protection of personal data ("Privacy Code"), as amended by Italian Legislative Decree N. 69/2012, in implementation of European Directive 2009/136/EC and in accordance with the provisions of Regulation (UE) 2016/679 (so-called GDPR).

TYPES OF COOKIES

Cookies can be classified into:

- **Session cookies, or temporary cookies**, are those that expire or are deleted when you close your browser, while persistent cookies have longer deadlines (from a few minutes to months) depending on the functions they perform. It is precisely these functions that distinguish cookies into two categories: technical and non-technical (or profiling).
- **Technical cookies** manage the data needed to deliver the pages and facilitate navigation, allowing, for example, not having to re-enter user and password to access particular services, to remember the last page visited or until where you have seen a video, to recognize the type of device in use and adapt the size of the images accordingly. Technical cookies also allow aggregate statistical analysis of the most visited pages and user preferences, but only in anonymous form, and are not used to analyze the behavior or preferences of individual users.
- **Profiling cookies** are permanent cookies used to identify (anonymously or not) your preferences and improve your browsing experience. Cookies can be delivered directly by the operator of the site you are browsing (first party cookies) or, if the site relies on external services for particular functions, by third parties (third party cookies).

COOKIES USED

This site uses the following types of cookies:

- **Browsing cookies:** to allow you to view this website, to make it work properly, to create your account, to login by accessing restricted areas. These cookies are essential to the proper functioning of the website.
- **Functional Cookies Site:** to remember your preferences and to help you use this Website as effectively as possible, for example by remembering the services and events you have previously viewed. Functional cookies are not essential to the operation of the Website, but they add services that improve your overall experience.
- **Analytical cookies:** to better analyze how users use the Website and thereby optimize and improve it, and to ensure that it is always effective and efficient. The data obtained relates to the web pages visited, the type of platform used, information on date and time and data such as the number of clicks on a particular page, the words searched and the texts entered during the use of the Site.

COOKIE

This website uses third-party cookies: Google Analytics.

SOCIAL MEDIA COOKIES

This site does not use cookies for "Social networks".
