

These **Regulations**, the **Price List**, the **Booking Conditions** and the safety instructions contained in the **"Safe Holidays"** brochure are brought to the Guest's attention on arrival and are posted at the entrance and inside the Camping Village. The act of entering the Camping Village constitutes unreserved acceptance by the Guest. The access to the campsite will be authorised in compliance with the anti-Covid-19 regulations of the European Union, the Italian State and/or the Veneto Region in force at the time of entry.

1. Anyone who intends to enter the Camping Village for any reason must have authorization. For this purpose, it is compulsory to show an identity document of every single person (including minors) at the Reception desk for legal registration. Minors will be admitted only if accompanied by an adult who has legal responsibility of them. Access and presence in the Camping Village by unauthorized persons constitutes an offence in violation of the Public Safety Regulations, of the Art. 633 of the (Italian) Penal Code (invasion of land and buildings), Art. 624 of the (Italian) Penal Code (theft of services) and the offence of contract fraud.

Under no circumstances will access be allowed to people (adults or minors) without an identity document. Guests are advised to check their possession before leaving home.

2. The amount of the stay is the sum of the rate for the accommodation or pitch, plus the rate for persons based on the number of occupants, multiplied by the number of days of stay, plus any extras. Rates vary according to the seasons in the price list.

This amount includes the consumption of water, electricity and gas.

Tourist tax, if applicable, is not included in the price.

The age group in the price list is determined at check-in by entering the date of birth. Birthdays during the stay do not allow for a rate change.

Prepayment of the stay may be required, with no refund in the event of early departure. We do not accept stays, with or without a booking, of less than 2 nights.

For each departure of individual members of the group, payment must be made for their stay (person rate, not accommodation or pitch rate). This means that in the event of the early departure of one or more members of the group, payment for their stay must be made - in this case - on departure at the cash desk (8a.m.-12p.m./4p.m.-7p.m.). The minimum stay is always 2 days and you must leave before 12 noon. This stay cannot be charged to the final bill.
